Dear New LA Board Members,

I am writing this afternoon with the latest on the UTLA strike:

- UTLA has declared a strike for Monday, January 14.
- There are rumors that UTLA is planning to picket at independent charter sites that are *not* co-located.
- We have been advised by CCSA to prepare for possible UTLA sick outs and picketing activity tomorrow.

Administrators are scheduled to arrive early tomorrow morning, and there is a plan in place for both sites in the event that picketing occurs. Of course, I will continue to update you as the situation unfolds.

Best wishes,
Brooke
